Subject: WLTI Information
Date: Thursday, August 19, 2021 4:19:35 PM

I just met with the national office regarding WLTI. I'm happy to stay we are still a GO! I'm so excited.

A couple of things: **COVID precautions** are being taken seriously, as they should be. The guidelines for Washington DC are found here. <https://washington.org/dc-information/coronavirus-travel-update-washington-dc> You will note that DC is requiring that travelers have proof that shows a NEGATIVE test result no more than 72 hours before travelling, or proof of vaccination. Masks will be worn at all times at the conference.

Pre-Conference assignments are mandatory and to be completed by September 10th. You'll find those courses in MY Courses on the <https://absorb.skillsusa.org> website. Each student will need to create their account or it may have already been created. When you register the student the email address you entered for that student will be used to send this information to them. Looks like there are 6 courses to complete so don't wait until the last minute. Get it done now. Advisors, I encourage you to complete the courses as well.

There's more information in the **WLTI guide** posted on the www.skillsusatx.org web site. Click on the CONFERENCE button to find this document.

I would like to arrange a zoom meeting for all to attend. I will have Joey Baker attend. He's the mastermind behind the conference. He will answer questions, concerns and help you navigate getting to the conference. Once registration has closed I will schedule this meeting.

Registration closes on August 26th at 5:00 pm. I know the site will still be open but I must be able to reserve your hotel rooms prior to the 27th. Please be ready to submit your registration. If you have entered students and they will not be able to attend, you must delete them from the registration site. Otherwise the national office will consider the students registered and an invoice will be sent to your school.

If you have questions, don't hesitate to call me. 903-887-4013 Ext 1.

Janet Conner, SkillsUSA Texas Executive Director
