

ADDITIONAL ASSIGNMENTS TO EARN SKILLSUSA NATIONAL STATESMAN

The SkillsUSA National Statesman Award is presented to members who demonstrate SkillsUSA knowledge and civic awareness, along with an understanding of the SkillsUSA Framework and how to articulate their personal experience in career and technical education (CTE). This award is only available to members who participate in the Washington Leadership Training Institute (WLTi).

The SkillsUSA National Statesman requirements add up to 60 possible points. To receive this award, a member must receive a minimum of 40 points. Students, advisors, and state directors seeking to achieve this award, must complete the required pre-work assignments above to be eligible. Award recipients will be honored during the WLTi Closing Banquet on Wednesday, Sept. 22, 2021.

PRE-WORK | INFORMATIONAL INTERVIEW *(Possible 20 pts)*

Understanding the local impact of CTE and Perkins funding is critical when advocating with legislative leaders. Ask your SkillsUSA advisor to identify the appropriate person at your school or campus to help in answering questions about the impact of Perkins funding. Most commonly this is a school administrator. Reach out to that person and request a 20-minute meeting or phone call to discuss the questions outlined. Schools with multiple students attending WLTi should work together. Schedule one appointment, and all attendees should be present for the interview.

Start the meeting by providing your name, training program and that you are attending the SkillsUSA Washington Leadership Training Institute, where you will learn professionalism, communication and leadership skills while advocating for career and technical education and SkillsUSA. Ask all the questions listed and take notes while the person is responding. Be sure to thank the interviewee for his or her time. After the interview, summarize all responses, and save the document to be submitted as a pre-work assignment. Before the meeting, print and review the Information Interview Questionnaire:

ON-SITE | INTERVIEW *(Possible 20 points)*

Preparing for congressional visits is important to ensure that all members represent SkillsUSA and CTE to the best of their abilities. During WLTi, you will have the opportunity to have a personal interview with a SkillsUSA national staff member, state association director, state advisor, SkillsUSA board member or another individual.

Interview questions will be based on the preparation you have done throughout WLTi for your congressional visits and the information learned during your training sessions. The interview will include questions about CTE, the skills gap, SkillsUSA and your personal experiences. Interviewers will evaluate members based on a rubric and provide you with a score and feedback.
