

Nail Art Contest Recap for all Districts & State

To be provided by contestant:

- 1 practice hand of any kind, prepared prior to contest with wearable acrylic base for application and tools, supplies and equipment needed to complete the theme of the decoration.
- 1 practice hand of any kind, prepared prior to contest displaying the final design illustrated in the notebook. This hand will be displayed at the contestant's station during the contest. The contestant's number should be visibly labeled on the display hand.

Application:

All artwork must be done during the contest on one hand only. Acrylic paints or nail polish are acceptable. **Theme is Disney.**

The following items are NOT allowed:

Gems, skins, feathers, rhinestones, glitters, threads, fabrics, foils, beads, tapes, and jewelry, crystals, transfer foils, stamping plates, 3D medium art, air brushing, decals, stencils, cast moldings, gel polish or light cured polish.

Knowledge Performance:

There is a written knowledge test required for this contest. The content of the test on general nail care knowledge will come from the Milady Textbook of Cosmetology. There is a 30-minute time limit for this test. Skills Performance The contest requires the contestants to recreate the displayed practice nail hand, following the notebook procedures submitted at Orientation. There is a 2-hour limit to achieve these objectives.

Orientation: Mandatory, in uniform with kit, folder & pre-done display hand.
