

## 2023 TEXAS STUDENT LEADERSHIP DEVELOPMENT SCHOLARSHIPS

Leadership development for students is at the core of SkillsUSA. Through a structured SkillsUSA leadership training program, students can prepare for leadership roles as the future leaders of America's technical workforce. SkillsUSA leadership activities help mold character, citizenship, and the employability skills required for a highly skilled 21st Century workplace.

The scholarship aims to support top students with insufficient chapter, school, or community resources to participate in national-level SkillsUSA leadership training. Go to <https://skillsusatx.org/events/washington-leadership-training-institute/> for more information on this training opportunity. Attendance at Summer Leadership will be an advantage in the award process.
