## Important Notes:

- LD=Leadership Development. ST=Skilled and Technical. OR=Occupation Related. TX=Texas Only
- All contestants should prepare a one-page resume to be given to your Technical Chair at orientation for each registered contest. No resume=10-point deduction to score.
- Check uniform requirements in technical standards/regulations before arriving to compete to ensure compliance. There is a 10-point deduction for uniform/clothing errors. Uniforms can be confirmed at orientation to allow time to correct before the contest to avoid penalty.
- Any job exhibit project notebooks must contain a valid notebook grade sheet with registration sticker attached to be judged. These are not available on site. **LOOK AT NEW GUIDELINES FOR JOB EXHIBITS IN THE TEXAS REGULATIONS**
- **Only notebooks will be graded at the district level. Do not bring actual projects to district.** If notebooks qualify to advance to state, this score will be added to the score for the project.
- A professional development test will be given for all/each contest as part of the contest score.
