

# NATIONAL LEADERSHIP & SKILLS CONFERENCE

ATLANTA | JUNE 2025

## 2025 SkillsUSA Championships Competitions

The SkillsUSA Championships program assesses and recognizes career and technical education students by testing their skills against standards for entry-level positions in the skilled trades through authentic skill demonstrations. Students are evaluated by expert representatives of business, industry and organized labor. The SkillsUSA Championships program connects the work done by students at the local level to the national level through programming offered at the district, regional, and state levels. Thousands of outstanding career and technical education students will compete in 114 different trade, technical, and leadership competitions. The 2025 SkillsUSA Championships competition updates will be posted continuously leading up to NLSC at: [SkillsUSA.org/Competitions/SkillsUSA-Championships/Competition-Updates](https://SkillsUSA.org/Competitions/SkillsUSA-Championships/Competition-Updates)
